Two Abatement Notices Posted

Man Is Jailed Following Automobile Accident Near Here

Sonoma Will Participate In Pageant Of The Redwoods

TWO AUTOMOBILES ARE WRECKED IN HIGHWAY ACCIDENTS

Narrow Escapes Reported In Two Automobile Disasters Which Occurred Monday.

A new Hudson coach driven by a man named Kilgore plunged through a fence on the state highway near the Napa Sonoma line Monday night and almost cost the life of the driver and a woman companion. Their escape was marvelous, as a heavy piece of timber from the fence guard rail pierced the radiator, passed through the hood and windshield and almost impaled the occupants of the car. Instead the scantling broke the steering wheel post and in some manner caused a fracture to Kilgore's arm.

The injured were brought to Dr. Thomson's office for treatment and the physician, believing the driver to have been intoxicated, summoned Deputy Sheriff Ryan who notified District Attorney Anglim of Napa county.

Kilgore, a salesman for a San Francisco firm, was later arrested by Sheriff Harris of the neighboring county and charged with driving an automobile while under the influence of liquor. He was taken to the Napa county jail.

His car, a new Hudson, is said to have been bought on the installment plan and but one payment made on it. The Hudson-Essex wrecking crew arrived here Tuesday and towed the car away.

Another accident occurred Monday night at the turn near the Fox ranch when a Studebaker car driven by two young men failed to make the sharp turn at that point and instead left the road. The machine turned over with the occupants underneath, and it was fully fifteen minutes before one of them was able to crawl out and summon help. The Perry family, living nearby, came to the assistance of the motorists, whose escape was a miracle, considering that their car was completely demolished. A wrecking crew from the Palace Garage brought the wreck to town.

FETTERS SPRINGS HAS NOT CHANGED HANDS

Contrary to a rumor, the Fetters Springs Hotel and baths have not changed hands and will be conducted this season by the owner and proprietor, George J. Fetters, who has engaged Jack Greene as clerk. The new hotel clerk is a brother of popular Tommie Greene of the Boyes Springs Hotel Company.

Fetters Springs has been renovated and repainted this year and is one of the most attractive and well conducted health and pleasure resorts in Northern California. The swimming tank and tub baths are in charge of Charles Miller, formerly of Agua Caliente.

NOTICE

Mass will be held at Fetters Springs Theatre on next Sunday morning, April 27th, at 11 o'clock.

FATHER BYRNE.

Gen. Vallejo Day Is To Be Observed

The annual custom of observing General Vallejo day will be carried out by the Woman's Club which has designated it again this year as a red-letter day on the club calendar. The history of Sonoma's founder will be set forth by noted speakers and it is planned to hold the affair this year on the historic grounds of the picturesque old Vallejo home, where Mrs. L. V. Emparan, his daughter, now resides.

Mrs. W. L. Murphy of the History and Landmarks section will direct the program, with Mrs. D. Crane as hostess of the afternoon.

SIXTEEN TO GRADUATE FROM HIGH SCHOOL

(By ANNA NOYES)

Another school term is approaching completion; another class is preparing to graduate. Not the first to graduate from the new school, but the first class to graduate which has passed an entire school year within the walls of the new building.

The graduation exercises have been set for the evening of Friday, June 20th, and those who will receive diplomas on that night are as follows:

Beth Lane.
Irma Adler.
Theodore Anthenian.
Willard Cole.
Evelyn Cordell.
Pauline Guerne.
William B. Hansen.
Herman Johnson.
Willie Locarnini.
Anna Noyes.
Kenneth Parker.
George Reed.
Pierre Rouquie.
Sabina Sebastiani.
Samuel Steiman.
Roy Wirtz.

The honor students have not yet been announced, and it will not be known until the grades have been fully looked up.

Of those graduating, only two started their education and have completed the entire 12 years in the Sonoma Grammar School and the Sonoma Valley Union High School. They are Irma Adler and George Reed. The other members of the graduating class entered high school here from district and city schools.

Many of the present Seniors plan to continue their education after graduating here.

Roy Wirtz will attend an art school.

Irma Adler will attend a teachers' college in Santa Barbara.

Beth Lane is planning to attend a Washington university.

Theodore Anthenian will enter the Healds School of Engineering.

Kenneth Parker plans to take a course in forestry at the University of California.

Willard Cole contemplates entering a school of dramatics.

Pauline Guuerne expects to become a nurse.

Evelyn Cordell will enter a school for private secretaries.

Anna Noyes will take a course in

(Continued on Page Five.)

Resorts of D. Rovegna and John Burns Are To Be Closed Officers Declare.

The resorts of D. Rovegna and John Burns in the Springs section were raided by Deputy Sheriff Ryan last Saturday night. Ryan classified Rovegna as a persistent violator and as a result the place he conducts, Maison Doree, may be abated. He was fined $500 or 60 days in the county jail, sentence being suspended upon the understanding that he was to leave the valley.

John Burns, proprietor of the Cross Roads Inn, who was in the toils of the prohibition law before and was warned to close up and keep his female patrons from parade, was reported operating again, so Deputy Sheriff Ryan paid him an unceremonious visit Saturday evening. Burns and a woman were found on the premises, but no wet evidence was secured by the officers. Ryan, however, characterizing the place as a nuisance, posted an abatement notice on the property.

On Monday the deputy sheriff started the week actively by arresting the proprietor of the Swiss Hotel of Sonoma for violating the Wright Act. The accused appeared before Judge Small and paid a fine of $300.

MEETING HELD TO DISCUSS FIRE DISTRICT

Fire District Needs Discussed by Leading Citizens at Conference Last Thursday Night.

A mass meeting was held at the Sonomar Valley Improvement Club house on Thursday of last week for the purpose of getting the views of the representatives from the various districts from Glen Ellen to Schellville.

The recent fire district election showed the necessity of a get together movement where the needs of each district could be discussed intelligently. Charles Cutter was appointed as temporary chairman and James Kearney temporary treasurer. Various questions were discussed and the fact that co-operation was so much in evidence resulted in an organization being perfected, with the following officers to serve:

F. Wedekind, Sonoma, president
J. P. Serres, Agua Caliente, vice president.
A. Elliot, Fetters Springs, secretary.

The following delegates were appointed to represent the interests of their respective districts:

Fetters Springs—George Fetters.
Schellville—R. L. Watt.
Vineburg—George Cassidy.
Agua Caliente—J. P. Serres.
Cave Dale—B. Hickin.
Glen Ellen—Leo Justi.
El Verano—L. Kearney.
Sonoma—F. Wedekind.
Boyes Springs—J. W. Minges.
Sonoma Vista—James Beach.

The delegates are expected to look into the requirements of their respective districts and to report at a special meeting to be held Monday evening, April 28th. They will also take up the question of the permanent organization of this club, the sole object of which is for the betterment of the Sonoma Valley. The improvement club believes that in forming a united body, results will follow which could not be obtained single handed.

CLUB REPORTER.

The first cherries from Sonoma Valley were shipped by Coops Brothers on April 20th. The Coops cherries and some from the orchard of Mrs. Frieda Doak on the Napa side are among the earliest in Sonoma and Napa counties. They were shipped East and will bring a fancy price.

CHRISTENINGS ON EASTER SUNDAY

Services at Congregational Church Marked by Happy Event In Which Prominent Families Participated.

A perfect day was that of Easter Sunday and the weather and inspiration of the Resurrection brought out lare crowds of people to the services at Sonoma's three churches.

The Congregational church, resplendent in palms and floral decorations, wa sthe scene of five christenings, in addition to the regular service and special music with Mrs. Natalia Davis as organist.

The children christened by Rev. Mr. Cookman were as follows:

Joan Valeria Volquardsen, three years old daughter of Mr. and Mrs. Leland Volquardsen of San Francisco.

David Gustav Rahm, born December 23, 1923, son of Mr. and Mrs. G, Rahm, nee Helayne Volquardsen, of San Francisco.

Betty Mae Coops, one year old daughter of Arthur and Aloha Coops.

Jessie Elizabeth Stickel and Margaret Ruth Stickel, daughters of Mr. and Mrs. George Stickel, of Agua Caliente.

At the Methodist church services were conducted by Rev. S. E. Crowe. a handsome floral cross being the principal decorative feature. Mrs. Swain directed the music, assisted by Miss Irma Cliff and Mrs. George Crowe. A large class of communicants was presented by Mrs. William Rambo and were received into the church, the consecration prayer being offered by Rev. Henry Waltz.

In the evening Rev. Mr. Crowe addressed the Masonic Lodge and the Eastern Star ladies in an eloquent and interesting manner. The entire day was one of great gratification to the pastor and members of the church.

At the stately new St. Francis church the first Easter services proved impressively beautiful, the church being thronged at all masses. Special music was rendered and an eloquent sermon preached by the noted Jesuit, Rev. Father Deeney of Santa Clara University, who assisted the resident priest, Rev. Father Byrne. The Rev. Deeney complimented the Sonoma parishioners on their splendid attendance and spirit of the Easter tide. Those who heard Rev. Deeney's sermon declared it to be as fine as any ever heard in this or foreign pulpit.

Work Going On At The Old Mission

A portion of the appropriation granted the historic Sonoma Mission by the last legislature has been made available and as a result State Engineer Morton has a force of men engaged in laying a tiled walk under the portico of the old church. Other improvements will follow in keeping with the period of restoration.

Two thousand dollars per year was voted for the Mission's upkeep, but there is some difficulty in getting that part of the appropriation budgeted for the caretaker. As the Mission is state property and must be guarded from vandalism and relic hunters, it is apparent that the State Board of Control should not block the expenditure of a part of the Mission's appropriation for this very necessary purpose.

Sonoma's senator, Hon. Herbert W. Slater made a modest request when he asked for this appropriation, considering the importance of the landmark and the fact that it was visited by 10,000 tourists last year.

INCUBATOR AROUSES INTEREST IN PETALUMA

The official test of the Kitchen incubator in Petaluma is arousing great interest in this Sonoma product on the part of hatchery men and poultry men of the Egg City

The 1000 egg machine was set Friday evening of last week in the Perry Hatchery on North Main street. The doors were officially sealed by Chief of Police M. Flohr and will only be opened the fourth and eighteenth days of the hatch in the presence of witnesses.

This test is being conducted by George C. Crowe and R. S. Kitchen to convince the big hatchery men of Petaluma that their present system of incubator ventilation is inferior to the Kitchen system and that the new system makes it unnecessary to remove the trays of eggs daily to air or cool.

Three large hatcheries are now using the egg turning device—the Pioneer, the Must Hatch and the Sales Hatcheries. Two more large orders have been contracted in the last few days.

Acorne & Allen, who are building the new Double AA Hatchery on North Main street, Petaluma, will use the Kitchen turning device, and L. W. Clark, owner of the Petaluma Hatchery, gave Mr. Kitchen an order Monday for 900 trays, the first unit in the remodeling for his large plant.

Practically every commercial hatchery in Petaluma is contemplating improving their equipment with the turning device. This will mean much to the new incubator industry in Sonoma for all the new orders will be filled from the local factory.

Petaluma hatcheries set the standards throughout the United States and soon orders will be coming in from Eastern points.

Mr. and Mrs. William von Hacht have moved from Vallejo to San Jose, where Mr. Von Hacht, former Sonoma mayor, has a good position.

LOCAL TALENT TO ASSIST IN CLUB WOMEN'S DRAMA

Sonoma Valley Woman's Club To Put On Episode at Armstrong Grove In September.

Sonoma Valley will contribute to the success of the beautiful Pageant of the Redwoods to be staged amid the natural forest beauty of Armstrong Woods on September 1st by the club women of Sonoma county. The pageant, written by Mrs. Frank Greene, of Petaluma, outlines the history of the giants of our forest and is called "The Birth of the Redwoods." It is replete with poetic and colorful episodes, twelve in number, one of which will be put on under the direction of the Sonoma Valley club women, which will mobilize the best talent of the Valley of the Moon for the occasion. The recent open air drama celebrating the centennial of the Sonoma Mission brought to light much colorful material which is interwoven in Sonoma's history and under the skilful and artistic direction of Garnet Holme, it developed into what is conceded to be one of the best out of door plays which has been produced in California. Bits of this, including the Indian basket dance evolved by Katharan Edson, authority on Indian and tribal dances, will be introduced into the redwood pageant.

Another echo from the Mission Play may be revived in the old fashioned Spanis hdance which the club believes would add much to the charm of the Armstrong Woods production, as it did to the wedding scene in the Vallejo period of the Mission Play.

The coming Redwood pageant is reviewed as follows in a recent number of a Santa Rosa paper, which evidently, however, did not know of Sonoma's participation.

"The Birth of the Redwoods" will be given as a brilliant pageant in Arm strong Grove Monday, September 1st. This was decided upon at the meeting of the executive board of the Sonoma County Federation of Club Women in session this week. The pageant

(Continued on Page Four)

DEATH CLAIMS GRAND ARMY MAN

George Cole, native of the state of Massachusetts, an honored veteran of the Civil War, and one of the vanishing Grand Army of the Republic, was buried from the Methodist church on Tuesday with appropriate services. The flag at the church was at half mast and fitting tribute was also paid by Rev. Mr. Crowe and George C. Crowe, who sang "Battle Hymn of the Republic" and "Tenting Tonight." Rev. Mr. Crowe spoke feelingly of the passing of the old guard and its patriotic service.

The departed leaves a wife and two daughters of the bay cities, and one grandson to mourn him. Interment was in Valley Cemetery.

Fire Chief W. B. Cause, prominent and popular resident of Boyes Springs suffered a heart attack this week and a hurried call was sent for Dr. Thomson. The many friends of the Chief trust his indisposition is not serious.

EL VERANO NEWS

By ARCHIBALD McKIVER

They're off to a flying start. The Pioneer Garage Barnyard Golf Links have been opened and a delegation of horse shoe shooters ar combatting this week for El Verano championship honors. George Baines, auto doctor, looks like a comer, while Al Weaver, blacksmith, says he will defeat the garage owner. Lou Kearney is also pitching a wicked shoe, while Bill Baines, newly elected mosquito doctor is piling up points and getting better every day. Bill's eye is so true that while playing a game Sunday a mosquito chanced to fly by, at which Bill threw his horse shoe and brought the insect to the ground, at the same time landing the good luck emblem over the peg. Harry Baines, who played the game 30 years ago, is tearing up the mud all around the peg, and promises with a few more games he will be ready to beat the best of them. Frank LaFranchi, Switzerland champion, declared himself Sunday, and astonished the fans present with his skilful playing. It is the intention to pick from these hurlers a challenger for the champ, J. Harry Weise of Glen Ellen. This game is being looked forward to and when our man is all groomed a defi will be hurled at the Glen Ellen holder, and we will all be their to cheer our man to victory. Brush up, Harry.

R. B. Houston, general passenger and freight agent of the S. P. Company, with offices in Santa Rosa, passed through here on the Daylight Limited Saturday enroute to Sacramento. Mr. Houston was accompanied by his wife.

Mrs. Cisio and grand daughter of Boyes Springs left Thursday to spend their vacation in Los Angeles, visiting the former's son and daughter.

A carload of steel bridge material has been unloaded at the S. P. yards consigned to the state highway contractors.

Louis Parente, hotel owner of Verano, will soon start the sinking of a well on his Verano property in quest of hot mineral water on this land. A well now produces sulphur water, not warm, and it is the intention of the well known capitalist to build a large up to date bath house on the site. If hot water is not struck, it is said a large cold water swimming tank will be an added attraction at this famous summer outing resort, now leased by Miss Anne Isadore.

Miss Olga Hansen of San Francisco has been the guest of West El Verano relatives.

Joe Danieli and Bill Preston have returned from Mendocino Co., having taken the household goods of M. Miracle to the Bigelow ranch in that county. They report a wild and wooley trip.

Miss Anne Dowdall of Berkeley was an Easter visitor with El Verano relatives.

Pat Wyatt, mechanic at the Mare Island navy yard, returned to his work last Monday after spending several days at his folks' ranch here.

Miss Sperry of San Jose is the guest at the O'Brien ranch in the western foothills.

Mr. and Mrs. L. Parente and Mis Lillian of San Francisco spent several days last week at their Verano hotel.

Mrs. M. Max was a passenger for San Francisco last week.

Mrs. E. McNiel of San Francisco has rented one of the West cottages and will make her home in Sonoma Vista

The trout fishing season, slated to open in Sonoma county May 1st, has been postponed due to the hoof and mouth disease quarantine. So strict will this law be enforced that the owners of land through which a stream flows will not be allowed to fish. Sonoma county being in the quarantined district, we would advise local anglers to lay off until the dreadful disease is checked.

Mr. and Mrs. Aubrey of Oakland and Miss Mamie Walsh of San Francisco were Easter visitors at the Kearney home here.

George Weaver returned Saturday after a motor trip of several days to Sacramento.

Mrs. W. McAuley arrived from Hornbrook Monday to spend several days at the poultry farm west of this place.

Julius Unger, Sonoma Valley whale catcher, was here Monday bidding adieu before leaving over the rolling sea for Alaska where he will be for several months, landing monster whales and other deep sea fish. Jules is a veteran at the game and his old friend, Archie McKiver, wishes him God-speed and a safe return.

Mr. and Mrs. Miracle have left El Verano and taken up their residence on J. K. Bigelow's large acreage on Brushy Mountain. They were employees of the former when he resided in El Verano.

Contractor Ed Dowdall and M. Fish of Alameda have completed the election of a summer bungalow at Sonoma Vista, where the Fish family will spend their summer vacations.

Mrs. Ed Dowdall of Alameda was a Sunday visitor in Sonoma Valley.

Madame Pierce, our fortune teller, is spending several weeks in the Guerneville section.

Jack Main of San Francisco has reopened his resort at Verano and will also establish a gas station at this point and later on a first class garage. Mr. Main's many Sonoma Valley friends are glgad to know that he has opened up his place at Verano and will personally conduct the new business, which is on the new state highway and one of the best locations in the Valley of the Moon.

The S. P. Company has had its right of way plowed to guard against fires, and a fire path has also been made in and around the El Verano yards of the company. Section Foreman Jim Harrington has been superintending the work.

Mrs. M. Couts and family of Kenwood were week end guests at the Rossi home.

Mrs. K. Murray, who now resides in Sebastopol, spent the latter part of last week at the Dowdall home.

Windsor and James Bigelow and S. Secrist, college men and famous athletes, were here last Saturday renewing acquaintances.

Miss L. Larson, popular Sonoma Valley girl, was entertained at the Preston home Easter Sunday.

Miss Beth Weaver, after a pleasant visit with Sacramento friends and relatives, has returned home.

Charles Danieli of San Francisco was enjoying Sonoma Valley Easter eggs at his mother's home Sunday.

Mrs. W. W. Hall returned Sunday evening after a several days visit in San Mateo and San Francisco

S. Sacco has recovered his two little kids after a day and night search. The goats were discovered in the former's cabbage patch. The little fellows greeted their owner with a "bah" and were immediatly given the rope and are now doing penance for playing hookie and disturbing the peace and quiet of El Verano.

Charles Spindler, San Francisco insurance man, was at Sonoma Vista Saturday evening attending the grand opening of Steinkamp's Resort.

Mr. and Mrs. P. Zampe and little son of Oakland were guests at the Rovai home Sunday.

John Vincent and Misses Eleanor and Mildred were Easter visitors in San Francisco.

Mr. and Mrs. G. Verbeck were over Easter visitors in Berkeley.

Bert Trainor returned Sunday after spending the school vacation with home folks in San Francisco.

Lloyd Bridges has been over visiting has grandfather, Charles Brown, of St. Francis avenue.

Miss Catherine and Annie Laurenzi of San Francisco and L. F. Faure spent Easter with P. Laurenzi, father of the Misses Laurenzi.

Mrs. Frank Wedekind is visiting her daughter in Los Angeles.

C. Hawkins of Kenwood has been suffering from a serious infection of his thumb. The Hawkins and Morton families formerly resided at El Verano.

SPENT A MILLION TO MAKE PICTURE

In producing "The Three Musketeers" which comes to the Hippodrome Theatre, Napa, on Saturday, May 3rd, for one day only, Douglas Fairbanks has made the most lavish picture of his career. For the first time since he became a screen actor Fairbanks spent a cold million dollars in order to make "The Three Musketeers,' which has proven to be the film sensation of the picture world and which was adapted by Edward Knoblock from Alexander Dumas'. famous novel, and directed by Fred Niblo.

More women play with Doug in important roles in "The Three Musketeers" than ever before appeared with him in any feature. Marquerite De La Motte, Mary MacLaren and Barbara LaMarr, all stars in their own right who are among the highest paid photoplayers on the screen, take the leading parts.

Frank Wedekind, Jr., entertained a nunmber of his young friends at a delightful children's party last week in honor of his birthday.

Mr. and Mrs. Picchi, nee Maffei, entertained the Maffei brothers and their families from San Francisco Easter Sunday and also Sonoma relatives.

Misses Adele and Albina Nardi of San Francisco were home for Easter with their folks, Mr. and Mrs. Felice Rovai. On Monday Mrs. Rovai went to the city for a few days' visit.

Mr. and Mrs. Grover Rubke and daughters spent Easter Sunday with Mrs. Rubke's sister, Mrs. Henrietta Purviance, and husband, in San Francisco.

Dr. Elizabeth Davis of the University of California Hospital, San Francisco, was here for Easter Sunday. Miss Dav' is the daughter of the late Dr. H. H. Davis, a pioneer physician of Sonoma.

The Will Hydes of Berkeley were Easter week visitors at the Hyde Ranch, where Mr. and Mrs. Henry Hyde reside.

GOES TO EUROPE

Mrs. S. Cuicci left Wednesday on the first stage of her trip which she is to enjoy in Europe. She will accompany her relatives, Mrs. Adam Bianchi, noted singer, and her husband, the prominent commission merchant, of San Francisco.

COOLIDGE'S CONSTRUCTIVE VIEWPOINT

The day of the presidential primaries is fast approaching and voters who have considered the welfare of the nation will agree that a vote for delegats pledged to President Calvin Coolidge will assure the United States a Republican candidate who can lead the party out of chaos and put the country on a sane, safe and prosperous basis. This calm son of New England had a record of efficiency and achievement long before he came to be vice president under the late Warren G. Harding, and it was fortunate indeed that his hands have guided the reins since the death of his chieftian and the gathering storm at Washington. The Coolidge course has been admirable, and although the Ship of State was badly rocked and smeared with the crudest of oil, the figure of our acting President, dignified, thoughtful, yet alert, reassured the American people that our government could not be disrupted by radical methods and that Coolidge would abide by constitutional methods and insist upon orderly procedure to clear up any scandals which infested official circles. He has done so and has already taken constructive steps to assure the country the conservation of its oil for future need and emergency. Says the Literary Digest:

"The most reassuring news that has come out of Washington since the oil investigation began, several editors agree, is the appointment by President Coolidge of a special commission to begin at once a comprehensive study of the best means to conserve the nation's oil reserves and to map out plans for storing sufficient quantities of fuel oil to take care of the Navy's needs in the future. Moreover, notes the Indianapolis News, this action followed a conference with the new Secretary of the Navy, who recommended the step. 'This is an admirable beginning for Judge Wilbur, and the President has acted wisely in the matter,' believes the News. 'As for the Commission, the men chosen—George Otis Smith, director of the Geological Survey; Rear Admiral Hilary P. Jones and R. D. Rush, of the California State Bureau of Mineralogy—are worthy of the confidence of the people, both because of their character and their expert knowledge.'

"' We have heard a vast deal about what happened to our oil reserves in the past, but extremely little on the more important question of what is to happen to them in the future,' remarks the New York Herald Tribune. 'So far,' adds this paper, 'the scandalous side of the oil inquiry has been allowed completely to obscure the fact that there is a real and valid difference of opinion in regard to the best disposition of the oil reserves.'"

"The Liberator," the California Anti-Saloon League organ, takes a fall out of District Attorney Brady of San Francisco, at every opportunity, referring to the fact that he has been found dining in restaurants raided by dry officers, where wine was red. District Attorney Brady has no apologies to make. His election by an overwhelming majority after a campaign of frank admission that he was prosecuting criminals, not persecuting wets, is testimonial of his popularity with the voters of California's metropolis, and an endorsement of his policy. Mr. Brady is a normal citizen and refuses to become an obsessionist in the face of the increase of crime and daring criminality encouraged by the popular tendency of enforcing prohibition laws and forgetting all others. A few more Bradys and the country would be safer for us all.

Brisbane tells us that 40,000 bottles of bootleg liquor dumped overboard brought 40,000 dead fish to the surface. All the "poor fish" are not dead yet, at that.

WILLIAM G. McADOO STRENGTH

Democratic leaders are beginning to show some alarm over the aapparent strength of Mr. McAdoo, ex-employee of Oil King Doheny. He won the Georgia primary. He got the South Dakota delegates. He carried North Dakota. However, it should be added that in the Dakotas McAdoo's name was the only one filed. The trouble with the Democratic party is that McAdoo, of oil smear fame, seems to be about the only presidential material it can develop. Cox and defeat won't do. Governor Ritchie of Maryland, is very damp. Governor Sweet, of Colorado, is a parlor socialist. John W. Davis works for the Morgans. Senator Copeland knows more about the administration of homeopathic medicine than administering government. Senator Ralston is elderly. Senator Robinson is from Arkansas. Something's wrong with all the candidates. And with no one to oppose McAdoo, an oil lawyer, he seems able to get the delegates. McAdoo has the only political machine at work. And it is such a well oiled machine that it has a lot of power. Indeed, McAdoo is showing such strength that Republicans are encouraged to believe he will yet become the nominee. Once nominated, McAdoo will be easy picking in the election. He will be on the defensive from the start.—Exchange.

IT LOOKS GOOD TO US

With the dirt flying on the new State highway in this vicinity, do you notice how everyone seems well satisfied and not a word about the inconvenience of detours, bumpy culverts and all the other necessities of this stage of constructive busyness? The answer is that Sonoma Valley welcomes these builders here and the dirt can't fly too fast to suit us. The contractors are making excellent progress and Sonoma Valley will be riding over real highway before this year is rounded out. Cheers!

GOOD PUBLIC SERVANTS

The phrase, "good public servants" used to be a hackneyed one, just a mere political platitude, but in this day and age we are beginning to realize that good public servants are scare, and really once found are the most precious and necessary assets of national life. Good should be synonamous with honesty, a quality which seems to have been supplanted by the characteristic associated with business acumen instead of being preserved in all its original simplicity, whereas the people have not good servants, but sharp ones, clever, keen opportunists who have gone so far as to barter our national resources.

This switching of traits has not been confined to any one political party. Men of both parties have had their fingers in the pie. Instead of being public servants, many politicians, so-called, have exploited their country and their friends for all they were worth. Not only has this practice obtained in high places, but also in such petty jobs as were created by prohibition. From every point of vantage the modern type of public servant seeks to work for his own interest, rither than that of the public.

When we find that we have the rare and precious old fashioned good public servant in office, we should keep him there. The day of "giving some one else a chance" is past and should be, for it is a dangerous experiment.

Dolley, the prohibition agent accused of irregularities in Southern California, got a nice coat of whitewash by a Los Angeles grand jury, whose report darkened Dolley just enough to make the white wash all the more pronounced. Prohibition agents with names like "Dolley" and "Nicely" and all those soft appellations must be handled gently, of course, for are they not reforming the land?

Congratulations, Petaluma, on your splendid new hotel. It will be an asset and credit to all Sonoma County.

THE Sperry SERVICE

To the Housewife of Sonoma and Vicinity

Our store is at your service at all times. To show our appreciation in some tangible way, we have decided to adopt the Sperry & Hutchison Profit Sharing Plan and will issue the famous S. & H. Green Trading Stamps to our customers on all purchases.

STEINKAMP OPENING WAS GRAND SUCCESS

The opening dinner dance given by Mr. and Mrs. William Steinkamp on last Saturday night at their fine new resort in Boyes Springs was a brilliant success. The spacious dining room was set with many prettily decorated tables and a splendid dinner served. The menu consisted of relishes, grape fruit, salad, spring chicken, garden peas, potatoes, asparagus, pine apple ice cream special, and coffee.

There were many out of town people present at the opening and all praised the enterprise of Mr. and Mrs. Steinkamp and their new resort.

Following the fire, Mr. Steinkamp was the first resort keeper to plan on rebuilding and he has spent many thousands of dollars to restore his place. A big guest list is expected this summer as Steinkamp's is well and favorably known throughout the bay cities.

MAYOR MINGES HAS VISIT FROM NEPHEWS

L. A. Minges and W. C. Minges, contractors of Stockton, have been visiting their uncle, Mayor Minges, the grand old man of Boyes Springs. Messrs. Minges were much pleased with Sonoma Valley and predict a big boom here within five years, now that the highway is nearing completion. They declare that highways are what make localities and that Sonoma will be no exception.

POOR CROPS REPORTED

Superintendent Joseph Keechler of the Jones Ranch was in town last week and declares that the 1924 crop on this big ranch will amount to little or nothing, while in other years the yield has been immense. Lack of rain and the freak winter season is the cause of this unusual condition on this valuable reclaimed area.

Mr. Keechler will cut the grain in spots and thus salvage what there is to be had of it.

SONOMA TO PARTICIPATE IN REDWOODS PAGEANT

(Continued from Page One)

will be staged by the federation, and the pageant was written and will be directed by Mrs. Frank Greene of Petaluma.

There are twelve episodes and the various clubs of the county will participate in these. The Hebrew history has been assigned to the Philomath and Saturday Afternoon Clubs of Santa Rosa; the Petaluma club women will appear in the Discovery of America and the landing of Columbus; Rincon Club will take over the gold diggers' episode; the W. C. T. U. of the county has been assigned the Birth of Christ; and the Cloverdale women will have charge of the dancing girls and flower girls.

Mrs. Frank Greene will direct the work, Mrs. L. C. Byce will have charge of the costumes, and the other two members of the committee are Mrs. T. J. McMannis, the president, and Mrs. Leanore Campbell of Healdsburg, who will direct the music. Mrs. Bovill of Guerneville will see to the seating.

Mrs. Greene and Mrs. Byce will make visits to the various clubs and give ideas in the rehearsals.

The money raised from this will be divided between the Save the Redwoods League and a home for tubercular children in Sonoma county, two ideas fostered by the organization.

The Save the Redwoods League is interested in the pageant and will assist in the publicity work.

A BEAUTIFUL DOLL TO BE OUTFITTED

The Sonoma Valley Improvement Club ladies are planning the sale of a wonderful doll, to be called Princess Luisa Vallejo Emparan. The doll will be given a beautiful trousseau and disposed of for the benefit of the club.

SCHELLVILLE NEWS

Mrs. A. Silva Sr. entertained relatives from Oakland Easter week.

The Vogler family made a pleasure trip to San Francisco Tuesday.

The E. Peterson and H. Knight families enjoyed a picnic last Sunday at Nun's Canyon.

Mr. and Mrs. Frank Hall of the former Vandevere place had a visit recently from their grandson of San Francisco.

Mr. and Mrs. Ivan Anderson witnessed the photoplay, "When a Man's a Man" at the Hippodrome Theatre in Napa Thursday evening last.

The Jolly Twelve met at the home of Mr. and Mrs. Ed Clements Saturday night and enjoyed the usual good time.

Mrs. C. Jessen went to San Francisco Monday to attend the funeral of an old friend.

Mrs. Douglas Church, Mrs. W. Dixon and Helen Marie were guests at the Fred Schell home Easter.

Mrs. G. Frahm, society matron of San Francisco, and two interesting children, returned after a nice visit with her girlhood friend, Mrs. H. Pauli.

Mr. and Mrs. Fred Helberg, Jr., of San Francisco and baby spent a pleasant Easter with the former's parents Mr. and Mrs. Fred Helberg.

Mrs. Frank Ryan and daughter Helen of Oakland greeted friends here Wednesday as they passed through enroute to the Kearney home where they spent a few days.

Mr. and Mrs. Vincent Mundowski of Bennett Valley spent Monday with the Anton Neuman family.

Mr. and Mrs. J. Hanley, new comers, from San Francisco, entertained two auto parties for dinner Easter.

J. Segar and daughter and family of San Francisco came up Sunday and enjoyed a fine turkey dinner with Mrs. Segar.

Little Victoria Marcucci is confined to her home this week with a severe cold.

Pat Kearney, popular employee of the Jones Ranch, was a Sonoma visitor Sunday.

A number of Petaluma friends and relatives spent Easter with Mr. and Mrs. Poncia and enjoyed their hospitality.

Word comes from the sick room of Henri Baliros who underwent an operation at St. Francis Hospital in San Francisco, that he is getting along well and is expected home on Sunday.

Mrs. Gillam, mother of Mrs. Keller, has recovered from her recent indisposition, sufficiently to resume her daily dozen, although she expects to celebrate her 84th birthday the coming week.

Will Hammerich, engineer on the dredger, met with a painful accident when struck by a flying piece of iron, sustaining serious injury to his nose and eye.

Mr. and Mrs. Tom Millerick and baby have returned after an extended visit of several month throughout lower California, Mexico, Texas, Utah and Montana.

Mr. and Mrs. James Tate and Miss Eugenie visited the Erhard Steigers Wednesday evening.

Pete Kelly, Maurice Walsh and a party of San Francisco friends drove by in a Suburban Stutz car Sunday to be the guests of the Kearney, Dowdall families for an elaborate Easter dinner. They are well known here.

MAKE YOUR YARD A BEAUTY SPOT!
When summer comes, what will you have, just a back yard or a fenced-in plot that is a real beauty spot?
There is nothing which adds so much to the outward appearance of a home, nothing that makes a place look quite so "homey" as plenty of green foliage combined with a few simple garden fixtures, such as a lattice or picket fence, an arched gate, an easily built pergola or arbor, a pergola swing, etc.
Such improvements are easily constructed, cost very little and add greatly to the looks and value of a home. Get busy now and have your yard ready for the first warm days.
Let us help you plan your improvements and give you prices. You will be under no obligation in doing so.

SIXTEEN GRADUATE FROM HIGH SCHOOL

(Continued from Page One)

English and Art at the University of California.

The remaining graduates plan to take up business immediately, branches of work being open to them as automobile mechanics, assistant executives, fruit inspectors and positions in foreign trade. All of the students entertain high ideals.

Yesterday these graduates were boys and girls playing with their blocks and dolls. Today they are the youth of the country striving for their education. Tomorrow they are the men and women of this great nation, using their knowledge gained in school as a means to carry them forward to a common goal—success.

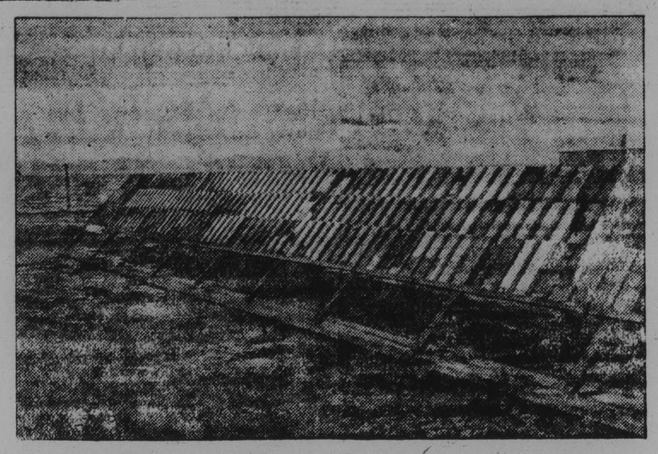
Wish them luck!

IMPROVEMENT CLUB DANCE ON MAY 6th

Great interest is being manifested in the dance to be given at the Studio Pavilion, formerly Coney Island, by the Boyes Springs Improvement Club on Saturday night, May 6th. The popular Les Perkins syncopators will play and the hospitality committee of the club will be on hand to welcome all who attend.

STORK BRINGS EASTER BABY

The stork brought a precious Easter gift to Dr. and Mrs. Fraher last Sunday when a pretty baby girl was born to the young mother at Mary's Help Hospital in San Francisco. Dr. Fraher is Sonoma's well known young dentist and his wife was a former San Francisco belle. Their first born is to be called Margaret Ann Fraher.



How the Paraffine Companies, Incorporated, a great Western concern, make a careful check on the quality of their paints by the means of a test fence maintained at the company's Emeryville, California, plant, is described by Austin E. McNeill, well known San Francisco newspaper man, in the following article sent to the Sonoma Index-Tribune:

"The fence is situated on the shores of San Francisco Bay and is exposed day and night to the salt arising from the water. Paints, varnishes and enamels of the most prominent American manufacturers are placed in panels on the fence, and a careful check made on their resistence to the rays of the sun, the chill of the night air, the fumes of an oil refinery situated near the fence, and every other factor of the elements.

"Its purpose, primarily, is to determine how Pabco paints and varnishes compare with others when subjected to identical weather conditions. It is worthy of note, incidentally, that in most instances Pabco paints have withstood the lashings of the elements to better advantage than other brands exposed in he same way."

The Boyes Springs Lumber Company is agent for Pabco paints in this valley.

WOMAN MALIGNS HER NEIGHBOR; ARRESTED

The usually peaceful suburbs of Sonoma from Verano to Boyes Springs have been in a turmoil the past week owing to the activity of an alleged scandal-monger who is accused of maligning a prominent lady resident of the Springs section thus incurring the wrath of the entire countryside.

When the gossip culminated in an open breach and recriminations near the Flowery school house this week, a warrant was sworn to charging the woman with disturbing the peace. The warrant was sworn to by a relative of the lady who had been the victim of the alleged slanderous stories put in circulation by the arrested party.

The disturbing the peace charge was heard before Judge Small and upon a plea of guilty defendant was given a three months' suspended sentence and admonished to refrain from any further infraction of the law.

Incensed relatives and friends of the Boyes Springs resident, member of a prominent Contra Costa family, are urging her to bring suit against her defamer for slander in the Superior Court. Judge Small declared such action was likely.

WEDDING HERE SUNDAY

A wedding was solemnized at the Converse home last Sunday when Mrs Lillian Joscelyn became the bride of Arthur R. Badley. The ceremony was performed by Rev. Mr. Crowe in the presence of relatives and a few intimate friends. The newly weds will reside in Ukiah.

MRS. MAE CHASE ON VISIT TO SEATTLE

Mrs. Mae Chase left Thursday for a visit of two weeks to Seattle and the mill towns of Washington, including Hood Canal. She anticipates a fine trip.

CARD OF THANKS

I herewith extend my sincere thanks for the kind help and valuable aid given me in the recent contest at the Jenning Tent Theatre which made it possible for me to win the beautiful diamond ring.

ANN COOK.

ALLOWANCE IS SOUGHT

Theresa Felder, widow of the late Joseph Felder, this week petitioned the superior court for a family allowance from the estate. She asks for herself and two minor children $100 a month allowance from the $14,000 estate left by her husband.

The I. O. O. F. dance takes place this evening and promises to be largely attended.

Victor, Vocalian, O. K., Odeon Records, Q. R. S. Music Rolls and Sheet Music at Lambert's Corner Drug Store.—adv.33tf.

VINEBURG ITEMS

The hoof and mouth epidemic may worry some, but it sure does not interfere with the appetite of Sonoma Valley poultry. During the last week eight carloads of feed and grain were received by John Batto & Sons—fiive at Batto's Spur, two at El Verano and one at Schellville, and more is in transit.

Joseph B. Small, Judge J. Lester Small and Bert Kerner of Sonoma, accompanied by Misses Jean and Carmel Sheldon of San Rafael exchanged Easter greetings with Easy Jim at Batto's Spur on last Sunday.

Marshal Henry Forni is now busy renovating and improving several residences on his property at this place and Ollie Oliver says that when all the improvements are completed the tract will be known as the Silver Terrace residential district of Vineburg.

Frank Allen and family have moved from the Hyde Tract to the Nadin orchard, formerly the Al Griffith place, near here.

A man told us the other day he thought the rainy season was over and from all appearances at the present time we think the man is right.

Mrs. Finch and son of Bodega arrived in Vineburg Tuesday evening and joined Mr. Finch, the station agent. The family will reside here permanently and Vineburg extends them a hearty welcome.

Our local grocer, L. V. Ristau, and family, motored to Sacramento Sunday and were guests of friends in the capital city and enjoyed a fine trip.

PETALUMA'S EXPOSITION

Dreamland is a scene of life, bustle, hurry and excitement just now for the decorators are at work and the exhibits are being installed. Between the two activities, there is no place at the big hall for those who do not have something to do.

Monster trucks brought in much machinery on Monday and it is being installed. One machine will be of unusual interest, especially to the auto owners, as it is for making rings for auto cylinders and it is a decided novelty, but there are also others.

As to the decorations, the management desires that nothing be said of them at this time as it is planned to put over a big surprise. When the doors are thrown open to the public and the adornments of the great auditorium are seen, there will be exclamations of delight. Messrs. Allen and Eisfelder are both in charge of the work with an army of assistants.

From now on until after the big exposition, Dreamland Rink will be the big center of attraction and will be brilliant with its bright lights, its exhibits, concessions, all from Petaluma, entertainments, demonstrations, muusic and its many other attractions of which columns might be written and then not tell all of it.

The exposition is about the biggest thing ever attempted in Petaluma and is attracting attention throughout the district.

WILL MOVE INTO THE CLEWE RESIDENCE

Principal Jesse F Prestwood and family will occupy the old Clewe home and expect to move in shortly. Mr. Prestwood has a housekeeper, five children and two grand children in his household which makes the large home necessary. They contemplate much enjoyment in the Clewe residence, with its attractive garden and grounds.

FOUND HIS LOST DIAMOND

Congressman Clarence F. Lea, who lost a diamond out of his scarf pin while working under his automobile during his last visit in California, had the good fortune to recover the stone last week. It was found by his sister after the recent north wind, right where Mr. Lea believed he had lost it. The diamond lay in the dirt for several months and its recovery had been given up.

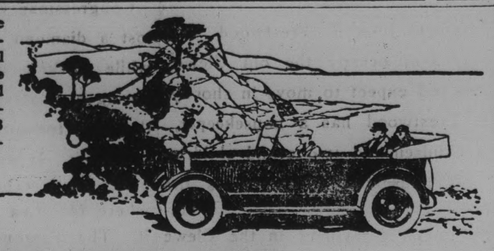
The Del Monte Properties Company, Hotel Del Monte, Calif., use Zerolene oils and greases exclusively in their 23 pieces of automotive equipment.



At DEL MONTE service counts too

Equally important with the *quality* of Zerolene, which we believe to be the best oil made for the lubrication of the modern automobile, whether of eastern or western origin and irrespective of price, is the *service* offered by over 700 Standard Oil Company Service Stations and thousands of Zerolene dealers throughout the Pacific Coast states.

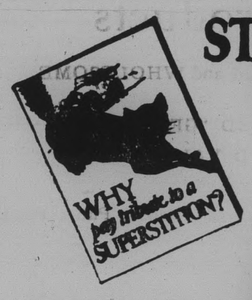
A recent letter from the Del Monte Properties Company, Del Monte, Calif., makes this point:

"We operate a fleet of twelve Winton cars in the guest passenger service in addition to quite a fleet of commercial type vehicles, ranging all the way from Fords to five-ton Packard trucks, all of which are lubricated with the Zerolene oils and greases supplied by your company.

"The uniformly prompt and courteous treatment which we have received in connection with this service is a credit to your organization and it is putting it mildly indeed to state that our experience both with your products and service has been highly satisfactory."

ZEROLENE F for FORDS —the Standard Oil Company's new improved oil for Ford cars, "Feeds Those Oil-Starved Fords."

Big users don't pay tribute to the superstition that there is something mysteriously "better" about "eastern" oils just because they cost more — why should you? Insist on Zerolene, even if it does cost less.

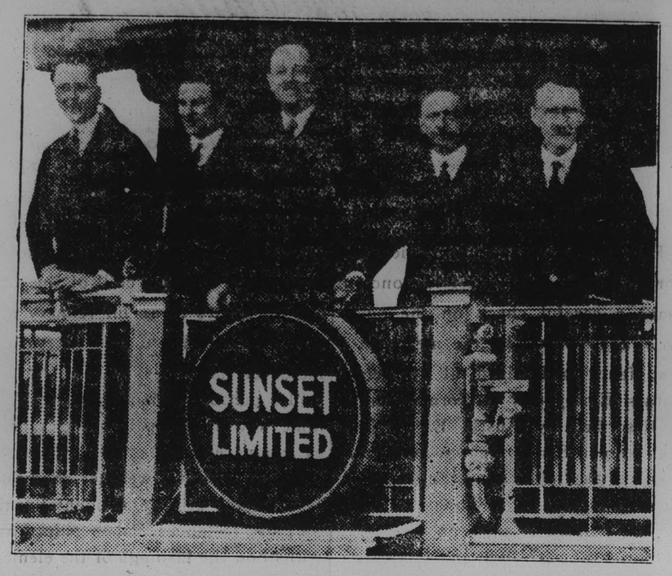


This booklet reports independent service tests of Zerolene made by a number of large users. Ask any Standard Oil Company sales representative or Zerolene dealer for a copy.

STANDARD OIL COMPANY (CALIFORNIA)

The Standard Oil ZEROLENE For Motor Cars

S. P. TO BOOST WEST ABROAD; EUROPEAN AGENTS TOUR COAST



European agents of the Southern Pacific company touring the west in order to get a better knowledge of the attractions of Pacific coast states. They will "sell" the west in Europe. From left to right—G. Ruhr of Hamburg, V. Merello of Genoa, H. Desmidt of Paris, R. G. Bonsor of London and V. Mylrea of Liverpool.

THE Pacific coast is to become better known to business men and travelers from Europe.

As a part of a comprehensive plan to "sell" the Pacific coast to Europe, the Southern Pacific company has brought five of its European representatives here for an intensive course of study.

They were accompanied west by L. H. Nutting of the Southern Pacific's New York office. The visitors left El Paso April 1 to spend a month in visiting every section served by the Pacific System of the company in order that a thorough knowledge of the coast states and their advantages could be obtained.

In Arizona the foreign agents made the trip over the Apache trail, visited Phoenix, Tucson, Yuma and Nogales and made a side trip over the company's Mexican west coast lines to Tepic.

Six days were set apart for a study of conditions and for sight-seeing in southern California. This included visits to San Diego and through the scenic Carriso gorge, an inspection of points of interest in the Imperial valley, a three-day visit in Los Angeles and a stop at Santa Barbara.

Leaving Santa Barbara, the itinerary called for visits at Del Monte, Watsonville, Santa Cruz and other points around Monterey bay.

After a period devoted to sight-seeing in San Francisco, Oakland and other parts of the bay district, the European representatives are scheduled to leave on April 22 for a tour through the San Joaquin valley visiting Fresno, Bakersfield, Merced and other cities with a side trip to the famous Yosemite valley with Sacramento the next point of call. Several days are to be spent by the foreign agents visiting Portland and other points in Oregon and Washington.

Enroute to the east, the visitors will visit Reno and Truckee and also make a side trip to Lake Tahoe. Ogden and Salt Lake City are also to be visited.

"We expect that the visit here of our representatives in England, France, Germany and Italy will do much to make the Pacific coast better known to Europe," it was stated by G. W. Luce, freight traffic manager, and J. H. R. Parsons, passenger traffic manager of the Southern Pacific.

"The itinerary of the visiting agents was so arranged that all sections were visited by daylight under guidance of local representatives who could explain in detail the many advantages of our country.

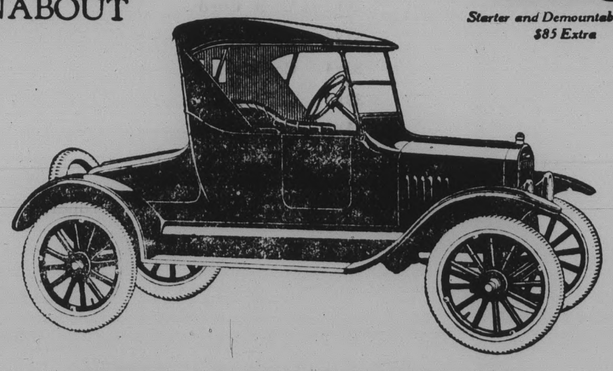
"Upon returning to Europe, our representatives will have that first hand knowledge that undoubtedly will enable them to do a great deal of good for the Pacific coast in their contact with foreign business men and travelers."

Mrs. Olga Gordenker recently entertained at her Glen Ellen ranch the two leading ladies and leading man of the recently organized Russian Theatre of San Francisco. Mrs. Gordenker has an interesting coterie of friends who often visit her here.

Ford RUNABOUT

$265 f.o.b. Detroit

Starter and Demountable Rims $85 Extra



The Lowest Priced Two-Passenger Car

The Ford Runabout is the most economical car for personal transportation known.

Priced lower than any other motor car, its maintenance and running expenses are in keeping with its present low cost.

To salesmen and others who average a high daily mileage in business, the Runabout has a special appeal both for its operating economy and its convenience in making city and suburban calls.

Ford Motor Company Detroit, Michigan

FN-46

ARMORED FORD CARS FOR POLICE WORK

Armored Ford cars as bandit chasers are the latest police innovation.

General Smedley D. Butler, Philadelphia's dynamic commissioner of public safety, is the man who introduced them.

Before he took office a few weeks back, the Philadelphia city council voted General Butler $5000 with which to purchase an automobile for his personal use.

But when salesmen for high priced cars appeared and tried to interest him, he made it plain that he intended to spend the money in purchasing small, light cars for use as bandit chasers by the police department.

The Ford runabout was his choice and it wasn't long before an enterprising Ford salesman had a car ready for the General's inspection.

Now the Philadelphia police have six of these armored Ford car and under General Butler's plan this number will shortly be augmented until there will be 90 such bandit chasers in service.

The entire shell of the body is lined with ⅛-inch special steel and the space between the armor plating and the outside of the car is packed with loose cotton and coarse hair to retard the velocity of bullets. Armor plate also covers the cowl and runs up as high as the lower portion of the wind shield. The upper section is in two parts, of bullet proof glass and wind wings have been provided on either side, also of bullet proof glass.

The Ford engines are specially equipped to afford increased speed and tests made show some interesting results.

Mrs. Addie V. Ramsdell and Charles Rogers of San Francisco motored through the valley last Sunday and called on Sonoma friends.

John Wagnon was ovr from Napa county Sunday and confided to friends that the oil strike over the hill is practically assured.

PRIMARY ELECTION ONE WEEK FROM TUESDAY

The primary election for California which is to decide whether Calvin Coolidge delegates or those pledged to Hiram Johnson will be elected to represent the wishes of voters of our Golden State at the national Republican convention will be held Tuesday, May 6th. Election officers and polling places in Sonoma Valley are announced by County Clerk W. W. Felt, Jr., as follows:

Polling place—San Luis School House.

Inspector—Charles R. Potter.

Judges—S. C. Keller and George Campbell.

Clerks—Joseph I. Kiser, Richard C. Specht and A. J. Rubke.

Sonoma No. 1 Precinct

Polling place—City Hall.

Inspector—Joseph B. Small.

Judges—Angelo Beretta and Julius E. Poppe.

Clerks—Thomas Brown, Ralph O. Hotz and Theodore A. Keiser.

Sonoma No. 2 Precinct

Polling place—City Hall.

Inspector—Antoine Froment.

Judges—Ranald McDonnell and George Breitenbach.

Clerks—Stanley A. Robinson, Roy A. Pauli and Thomas F. Monahan.

Vineburg Precinct

Polling place—Vineburg Hall.

Inspector—Louis Martin.

Judges—George McGill and Philip Bill.

Clerks—Frank Allen, William S. Dunn and L. V. Ristau.

APRICOT CROP 50 PER CENT SHORT OF NORMAL

California's 1924 apricot crop will be about 50 per cent of normal, according to advice from the California Prune and Apricot Growers' Association in a statement issued to the trade over the signatures of General Manager A. M. Mortensen and Sales Director W. T. Webber.

Estimates indicate that not more than 50 per cent of a normal crop. At many points where the bloom was good the fruit failed to set satisfactorily; some frost damage has already been sustained, and all districts naturally report unsatisfactory moisture conditions.

Canners are already in the field offering for canning fruit nearly three times what they paid last year. It seems that they contemplate a materially increased pack for the coming season. All in all, there is only one prediction to make concerning the 1924 output of dried apricots, namely, they will be scare and high.

Joan and Marguerite Mazuie of San Francisco are visiting their grandparents, Mr. and Mrs. A. Froment.

The Old City Bakery this week purchased from the Washburn-Crosby Company a car load of flour. They have a recipe book, containing fifty sandwich recipes, which they will give free to each customer.

HIGH SCHOOL NOTES

The annual Shakesperian contest will be held in Berkeley on May 24th. The members of the dramatic class are aspiring to enter in the contest and have begun practice. This is the first time that Sonoma Valley high school has been entered in the contest and it will be interesting to note the rating it will get against the other schools.

Friday, April 25th, the Girls League held a sandwich sale for the purpose of raising money for the treasury, with which to work. Other sales, such as candy and ice cream sales, are being planned for later dates. Some time in the near future the girls will entertain their mothers at a tea in order to bring hem together for a social afternoon.

The Freshmen are to have their turn at entertaining the student body and parents on Friday evening, May 9th. The upper classmen are waiting eagerly for the party, to see what kind of entertainers the Frosh can be and the Freshmen are in their turn waiting just as eagerly to show the other classes they they can not be excelled in providing pleasure for their guests.

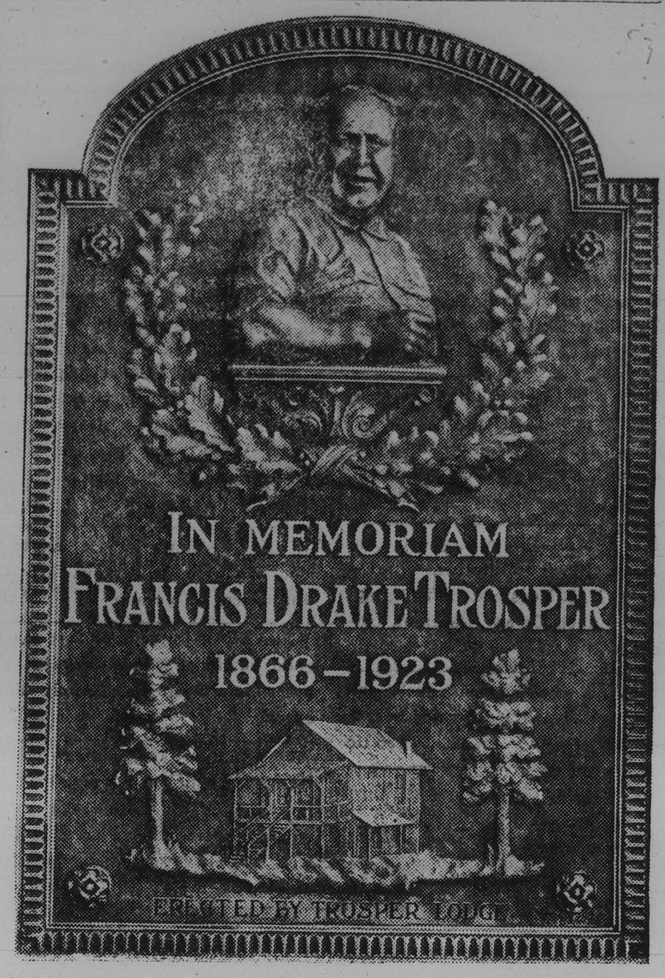
Henry "Frenchy" Boleros is in San Francisco recovering from an operation which he underwent during Easter vacation. He will be back at school in about two weeks.

Students are suddenly becoming very studious and industrious. The reason, you ask? Why, of course! Report cards are to be out soon.

Tuesday morning at the regular meeting of the Girls' League the following girls took office: Evelyn Cordell, president; Leola Forni, vice president; Ruth Ritz, secretary; Margaret Corcoran, treasurer. The president in a short speech, thanked the girls for her election and set forth some of the things she hoped would be accomplished during her term of office. That there is only one quarter left of the present school term will considerably handicap the progress of the Girls' League toward their ideals, but the seed will be planted now and it is hoped that the girls will nurse and cultivate them next year.

Teachers as well as pupils have to take tests, and Miss Lighter journeyed to Santa Rosa Saturday, April 12, and with about 70 other teachers took test on the constitution of the United States. She was able to breathe with relief once more when she found she came through with a rating of 98 per cent, the highest in the class.

"Bali, the Unknown," a delightful picture of the South Sea isles, was shown at the high school last night. Besides the picture, a declamation contest was held in which were entered Beth Lane and Willard Cole, seniors; Leola Forni and Norman Heggie, Juniors; and Mathilda Bonneau and Amy Locarnini, Sophomore, and Tommy Souza and Evelyn Valente, Freshmen. Dancing will be enjoyed following the contest, with music by the Symphonic Syncopators.



MONUMENT TO BE DEDICATED TO LATE JUDGE TROSPER

The public is invited to attend the unveiling ceremony of a monument in memory of the late Francis Drake Trosper of Cazadero, to take place near Cazadero, on May 3rd, at 2:30 p. m., under the auspices of the Trosper Lodge, an organization composed of comrades, friends and forest companions of the late Judge Trosper.

The monument consists of a bronze bust embedded in a shaft of stone designed, executed and contributed by George Larson, a talented sculptor of San Francisco, and a member of the Trosper Lodge.

Senator Herbert W. Slater of Santa Rosa will deliver the eulogy at the dedication of the monument.

AT THE HIPPODROME

Perhaps no other spot in the world has been the locale for so many stories, poems and plays as has Washington Square in New York City. Rich in historical lore, quaint in architecture and alluringly atmospheric, it is small wonder that it has been chosen for the settings of comedy and drama alike.

This is the locale of "Lilies of the Field," a First National picture directed from William Hurlburt's play by John Francis Dillon, who brings to the screen all the romantic appeal of the square. Corrine Griffith and Conway Tearle are the featured players in this gripping tale, and they are supported by Alma Bennett, Sylvia Breamer, Myrtle Stedman, Crauford Kent, Charles Murray, Phyllis Haver, Cissy Fitzgerald, Edith Ransom and Charles Gerrard.

"Lilies of the Field" comes to the Hippodrome, Napa, on Thursday and Friday, May 1 and 2.

WILL TIBURON BE TERMINAL?

Is the Northwestern Pacific going to desert Sausalito and move most of its automobile, passenger and freight traffic to Tiburon?

That question is disturbing Sausalito residents following the filing of a petition with the San Francisco Board of Supervisors by the railroad company asking for permission to operate passenger and automobile ferry boats between Taylor street and Tiburon.

Many residents of Sausalito believe that it is part of a campaign to give stiff competition to the Golden Gate Ferry Company, now carrying the bulk of the auto traffic from the foot of Hyde street.

At present all of the ferry and passenger business of the N. W. P. flows through Sausalito and all of the main line freight business operates out of Tiburon.

The N. W. P. has its passenger car repair shops at Sausalito and its freight yards and car repair shops at Tiburon. It also owns valuable land, both waterfront and mainland, in both towns.

Sausalito residents point out that it would be a simple matter to transfer most of the passenger traffic to Tiburon, besides handling all of the transbay automobile traffic from that place. Last year the state completed a new highway between the state highway at Alto near Mill Valley, and Tiburon, although automobile traffic at that time did not justify this hugeg expenditure, according to Marin county residents.

While N. W. P. officials deny it is their plan to transfer most of their freight and passenger traffic from Sausalito to Tiburon, the feeling persists that this will be carried out, making Sausalito only a sub terminal.

BRUCE PAINTER HEAD OF H. S. PRINCIPALS' ASSN.

Bruce H. Painter, city superintendent of schools of Petaluma, was honored at the recent convention of the Association of High School principals at Santa Cruz when he was re-elected president. This is the third term Mr. Painter has been elected head of the association. Mr. Painter returned home Friday of last week. During his adsence Mrs. Painter and daughter have been visiting with relatives at Vacaville.

MOTOR LAWS ENFORCED AND VIOLATORS FINED

The City of Sonoma which has two speed cops on the job is beginning to reap the benefit of strict attention to motor violators with the result that the public is safeguarded and the city treasury is enriched through the fines paid by malefactors.

The City Recorder holds court every Saturday morning at 10 o'clock at the City Hall. Last week one violator was arrested and fined and this week another, and several cases are pending in the court.

M. Portugal of El Verano was arrested last week for speeding at the rate of 40 miles an hour within the city limits and was fined $15, and G. McPartland, from an adjoining town, appeared in court, plead guilty of speeding at the rate of 30 miles an hour and paid a fine of $10.

The following cases have been continued or are pending:

F. J. McLoof, Vallejo.
E. Dowdall, El Verano.
H. Kidder, Napa.
E G. Abbot, Sonoma.
W. T. Oldham, Santa Rosa.

The city officials are watching every car that goes through town, and if lights are not properly adjusted or tail lights unlighted, they are warned to have same attended to. If these irregularities are not rectified in a limited time, arrests will follow.

HAS BEEN VISITING IN BAKERSFIELD

Mrs. J. H. Coops, who was called to Bakersfield recently on account of the serious illness of Mrs. Carl Berger, of Oildale, has been there for several weeks, during Mrs. Berger's absence in a hospital. The patient is now home and convalescing, so Mrs. Coops expects to return to Sonoma soon. The many friends of Mrs. Berger, who formerly resided here, will be sorry to learn of her illness.

MRS. DRURY RESIGNS

Owing to personal reasons which make it necessary for Mrs. Drury to retire from active public work, the directors of the Sebastopol Chamber of Commerce accepted her resignation at a special meeting held last Wednesday afternoon.

In a statement to the directors Mrs. Drury said: "The Chamber has proven beyond question its worth to the community and has become a permanent institution. A few pertinent facts that show concrete development to the city since the organization of a Chamber of Commerce are the doubling of postal receipts since 1921, and the increase of annual building permits from $12,500 to $90,250 in the same time."

APPLE GROWERS, ATTENTION

An important meeting of the apple growers of Sonoma Valley will be held on May 5th at Vineburg Hall. All fare urged to attend.

GEORGE CASSIDY.

County Clerk W. W. Felt, Jr., and wife motored over from Santa Rosa Monday evening and called on Supervisor and Mrs. Fred Lowell. They met a number of warm friends while in Sonoma Valley.

LOCAL AND PERSONAL

Rev. William S. Short of Santa Rosa will conduct services at Trinity church, Sonoma, on Sunday, April 27, at 5 o'clock p. m.

Arthur Rambo is reported as very ill at his home on Second street west.

Mr. and Mrs. Canevari entertained their three sons and their families on Easter Sunday, celebrating this holiday doubly, as the last Christmas was not celebrated, owing to the critical illness at that time of Mr. Canevari, who is now entirely recovered.

DANCING CLASS

Bring your kiddies to the singing and dancing class at Fetters heatre every Saturday from 2 to 4 p. m. Alfreda Smith is a graduate of Miss Blanche Hetrz refined and most popular dancing school at San Francisco and has seven years experience in professional singing and stage dancing.—adv.

Mrs. B. Schrempff of Vineburg was operated upon by Dr. Boolsen at Santa Rosa this week and is reported as doing nicely.

Mrs. Peter Millitello, nee Madeline Sutter, gave birth to a baby girl in Oakland this week. Mr. and Mrs. Millitello formerly resided here.

NOTICE INVITING BIDS

Office of the Clerk of the Board of Trustees of Sonoma School District, Sonoma County, California, April 25, 1924.

Sealed bids will be received by the Clerk of the Board of Trustees of the Sonoma School District, Sonoma County, California, at his office until 4 o'clock P. M. May 15, 1924, and will be publicly opened and read at Sonoma Grammar School for the construction of certain additions and alterations to the Sonoma Grammar School in the City of Sonoma, Sonoma County, California.

Specifications for this work are on file in the office of the Clerk of the Board of Trustees and in the office of A. C. Lutgens, 514 Marin Street, Vallejo, California, which bidders are hereby referred to.

A copy of the plans and specifications can be procured from A. C. Lutgens, 514 Marin Street, Vallejo, California upon depositing $10.00, said deposit to be returned upon return of said copy.

CARL DRESEL,
Clerk of the Board of Trustees, Sonoma School District, State of California.

First publication April 26, 1924.

STATEMENT
